# *Encounter the extraordinary in an Evening of Three Parts...*

## Part I - 'A Shock to the Senses'

*A business decision in a scooter showroom leads to a mysterious invitation, night terrors and a voyage into this unknown land. "Are these all coincidences - or is there a hand of purpose pushing me way beyond my comfort zone?"*

## Part II - The Culinary Experience

*Enjoy some delicious Indian food - catering for all tastes, including vegetarian ...and extra mild dishes for those whose pleasures do not include breathing fire in all directions!*

## Part III - 'A Touch of Heaven on Earth'

*The reason for repeatedly travelling half way around the planet... this is the intensely extraordinary part. This is the testimony of heaven invading earth, time and time again. If you are comfortable - or curious - hearing about the divinely supernatural, then please be sure to stay for this...*
